School Building Aid Application Site Addendum

Due by July 1, 2020

Complete and attach to school building application if proposing land development

Visit the school building aid website for more information: https://www.education.nh.gov/program/school_approval

SECTION A - PROJECT INFORMATION			
SAU number	enter #	Name of school district	click here to enter text
Full name of school	click here to enter text		
Name of project	click here to enter text		

SECTION B –SITE CHARACTERISTICS	
Total site size (acres)	enter acres
Estimated area of buildable land (acres)	enter acres
Estimated area of wetlands, including setbacks (acres)	enter acres
Estimated area of land in excess of 60% grade (acres)	enter acres
Estimated area of land with bedrock within 6 feet of the surface (acres)	enter acres
Estimated area of land known to be contaminated with hazardous materials (acres)	enter acres
Any restrictions on use of site?	yes/no
If yes, describe the restriction(s)	click here to enter text
Does the site meet the <i>minimum</i> site size in Ed 321.03 (if not attached waiver request)?	yes/no
Are you aware that building aid for land acquisition is limited in accordance with Ed 321.04?	yes/no
Is there access for emergency vehicles from at least 2 directions?	yes/no
Is the site in the 100-yr floodplain?	yes/no
If yes, is the first floor of the proposed building at least 10' above the 100-yr elevation?	yes/no
Per Ed 321.03, a site survey must be conducted <i>prior to acquisition</i> of the land to ensure that the site does not have any hazardous conditions related to public health, safety, or to the environment, or matters of interest for historical preservation, that cannot be adequately removed, abated or mitigated. Please state the date of the survey(s) and attach a copy.	enter date
